EXPERIENCE:

DIU Computer Programming Club (ACM Wing)

Executive Member | 06 August, 2021 - 23 December, 2023

- Assisted in teaching programming language concepts to freshman students, offering guidance and support throughout their learning journey.
- Collaborated with fellow members to enhance programming skills, participate in coding competitions, and organize events.

RELEVANT PROJECTS:

[Assistify](#)

Assistify is a web-based application that provides users with assistance through voice commands and text input.

- Demonstrated proficiency in web technologies, including HTML, CSS, and JavaScript.
- Implemented features such as voice recognition and responsive design.

[Live Code Editor](#)

A simple live code editor web application that allows users to write HTML, CSS, and JavaScript code in real-time and see the output instantly in an embedded iframe.

- Implemented features allowing users to write and test code snippets without the need for a separate development environment.

[FoodieFleet](#)

A responsive website employing HTML, CSS, and JavaScript. Provided users with a visually captivating platform to explore dishes, read reviews, and place orders.

- Implemented a visually appealing design to enhance user experience and engagement.
- Ensured compatibility and optimal performance across multiple devices and screen sizes.

SKILLS:

- ✓ Programming: C, C++, JavaScript, Python
- ✓ Web: HTML, CSS
- ✓ Database: MySQL
- ✓ Version Control: Git, Github

EDUCATION:

2020 - 2023 | Daffodil International University

Bachelor in Computer Science and Engineering
CGPA: 3.51 (On Scale of 4.00)

ACHIEVEMENTS & AWARDS:

- ✓ Solved over 700 complex programming problems from diverse online judges.
- ✓ Participated in ICPC Dhaka Regional contest.
- ✓ Achieved 19th position in Daffodil International University Take-off Programming Contest.
